ATTESTATION

- [MARR Social Media Policy](#)
- [NARR Code of Ethics](#)
- [NARR 3.0 Standard \(Certification\)](#)

MARR operates on a basis of “good faith” and relies upon our affiliates to conduct themselves in an ethical and professional manner at all times. This applies to not just the owner/operator of a residence, but to all staff (paid or unpaid) including house managers and peer leaders, and members of an organization’s board of directors. MARR requires that these people review the three policy documents listed above and that you verify that they have received, read, understood and agree to abide by them. They are all available on our website: (<https://www.mainerecoveryresidences.com>).

I attest that all staff, members of the board of directors and I have read, understand and agree to abide by the MARR Social Media Policy, NARR Code of Ethics and the NARR 3.0 Standard.
